Last minute Info for Registrants

WINTER IN HOBART IS COLD, so please bring lots of **LAYERS**. There is no heating in the bunkrooms, but they are solid with no cracked floorboards to let out the heat. So a small heater may be in order :) The days are normally clear and crisp with the odd sprinkle of rain. So be sure bring lots of warm clothes including a decent overcoat/raincoat, gloves, scarf and something to keep your head warm.

THINGS TO BRING: Apart from the usual clothing and personal items and a towel, don't forget your 'DIAMOND' outfit for the opening night party, something Black Tie/Glittery for the Academic Dinner and a Lounge Suit/Day Dress for the Government House Reception if you are going to be there for it. A sleeping bag or doona would also be a good idea for both the camp and billets.

A last minute reminder to Society Presidents to bring your Society Pyjamas for the presidents PJ's as well as any trophies you may have. Also don't forget to bring along your goodies to sell at Market Day

CONCERT DRESS: A reminder that concert will be all black for the first two concerts (ie week one) and for the final concert men are requested to wear a dinner suit, and all ladies to wear all black again. The usual request for no perfumes, aftershaves, etc is made, and refrain from glittery jewellery (Ladies also).

TRANSPORT: Our aim is to meet all our interstate visitors upon arrival at Hobart Airport and transport you to the Campsite. If you made other arrangements that will ease the load off our transport team. We have buses for transporting in and out Hobart for our two Festival Of Voices appearances and a bus into Hobart when we decamp on Wednesday of the second week.

REGISTRATION: At Registration all monies are to be paid before you get your Goody bag, Music and Merchandise. IF you have a query about what you owe please email the Treasurer. There will be no credit card facilities available at the camp and so please arrange to have your money with you.

LAUNDRY: Laundry facilities will be available at ORANA
